The campus "pride and joy" is the new Physical Education Building—
with our own swimming pool!

After a coffee break at Morris Hall Snack Bar, the profs return to the daily task.

A new home of many girls is Toby Hall.

The inviting warmth of Morris Hall.

A campus symbol—CONTINUAL CONSTRUCTION.

Could it be that it's Friday and no more classes?

The first and second tier of dorms overlooking the valley.

The fabulous view from the hill—Oneonta nestled in the Susquehanna River valley.

An early spring morning.

Care to walk through a Winter Wonderland?

And the SNOW comes to Oneonta.

The day will come when you walk away from Old Main with your Diploma in hand.

Classes

Freshmen Class Commissioners

Virginia Lowe and John Stahlberg.

Freshmen attend a general meeting that acquaints them with the school.

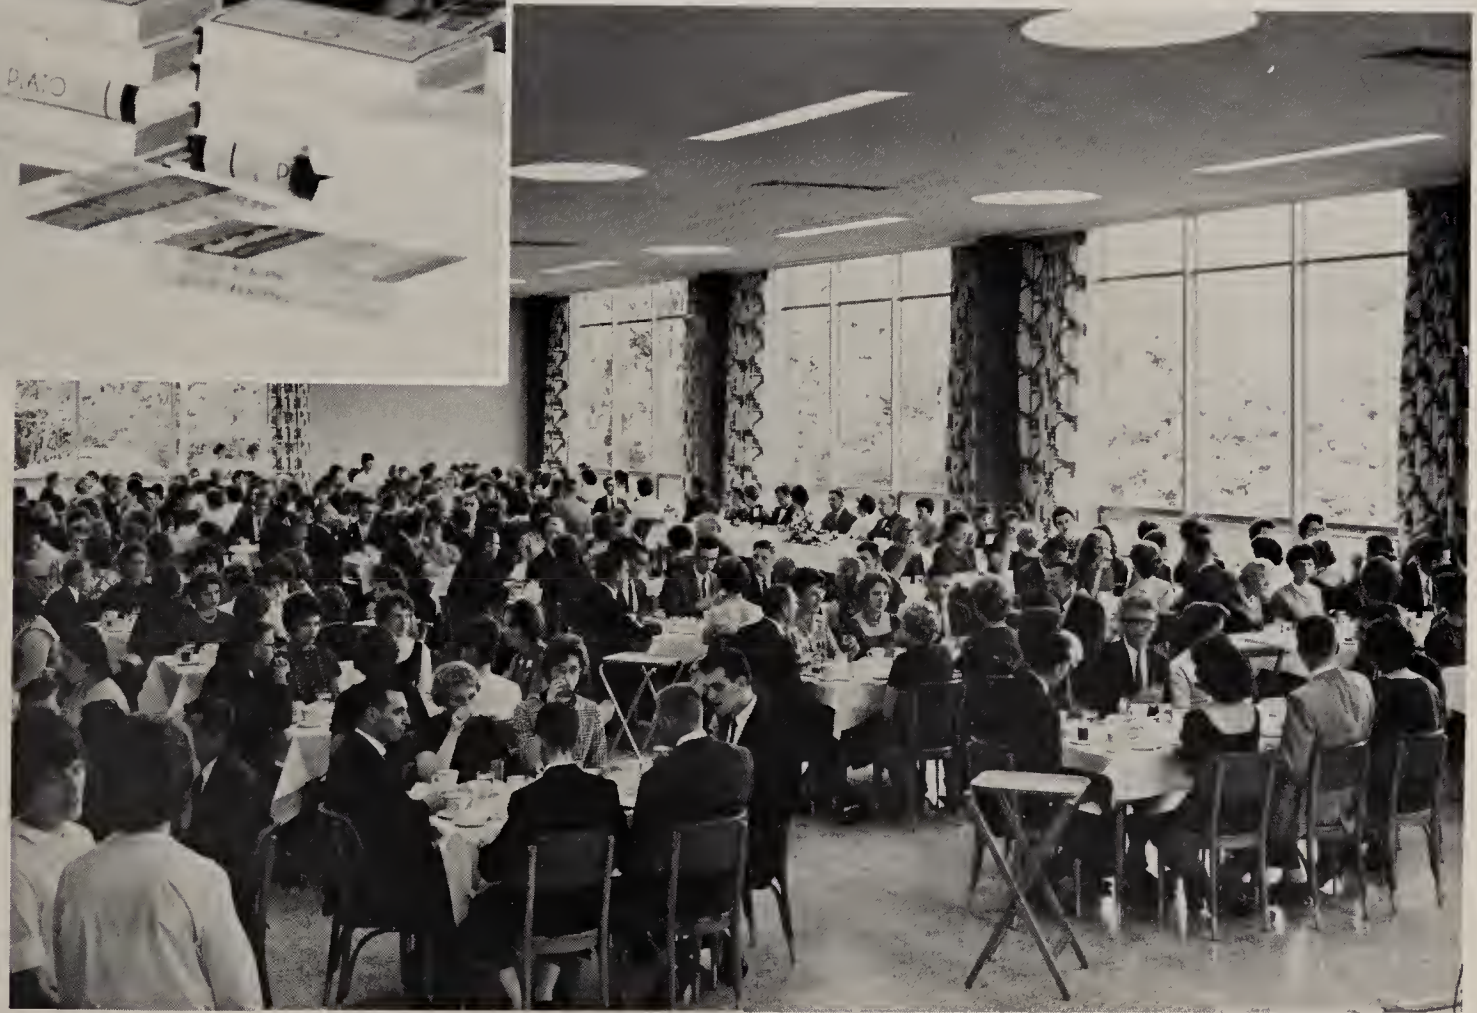

Freshmen find buying books, a tedious job.

Moving in is a big job for Dad.

The Freshman-Faculty dinner gives the new students a chance to see some of their forthcoming profs.

Freshmen participate in the paper hat assembly.

This is much better than Frosh Court. It's useful.

Even the people downtown gain.

Sophomore Class

First row: E. Erichsen, E. Mullin, and E. Friedell. Second row: R. Lippiello, and R. McGraime.

The sophomore president shows the Frosh what they will look like in their bennies.

The rings are important to the students.

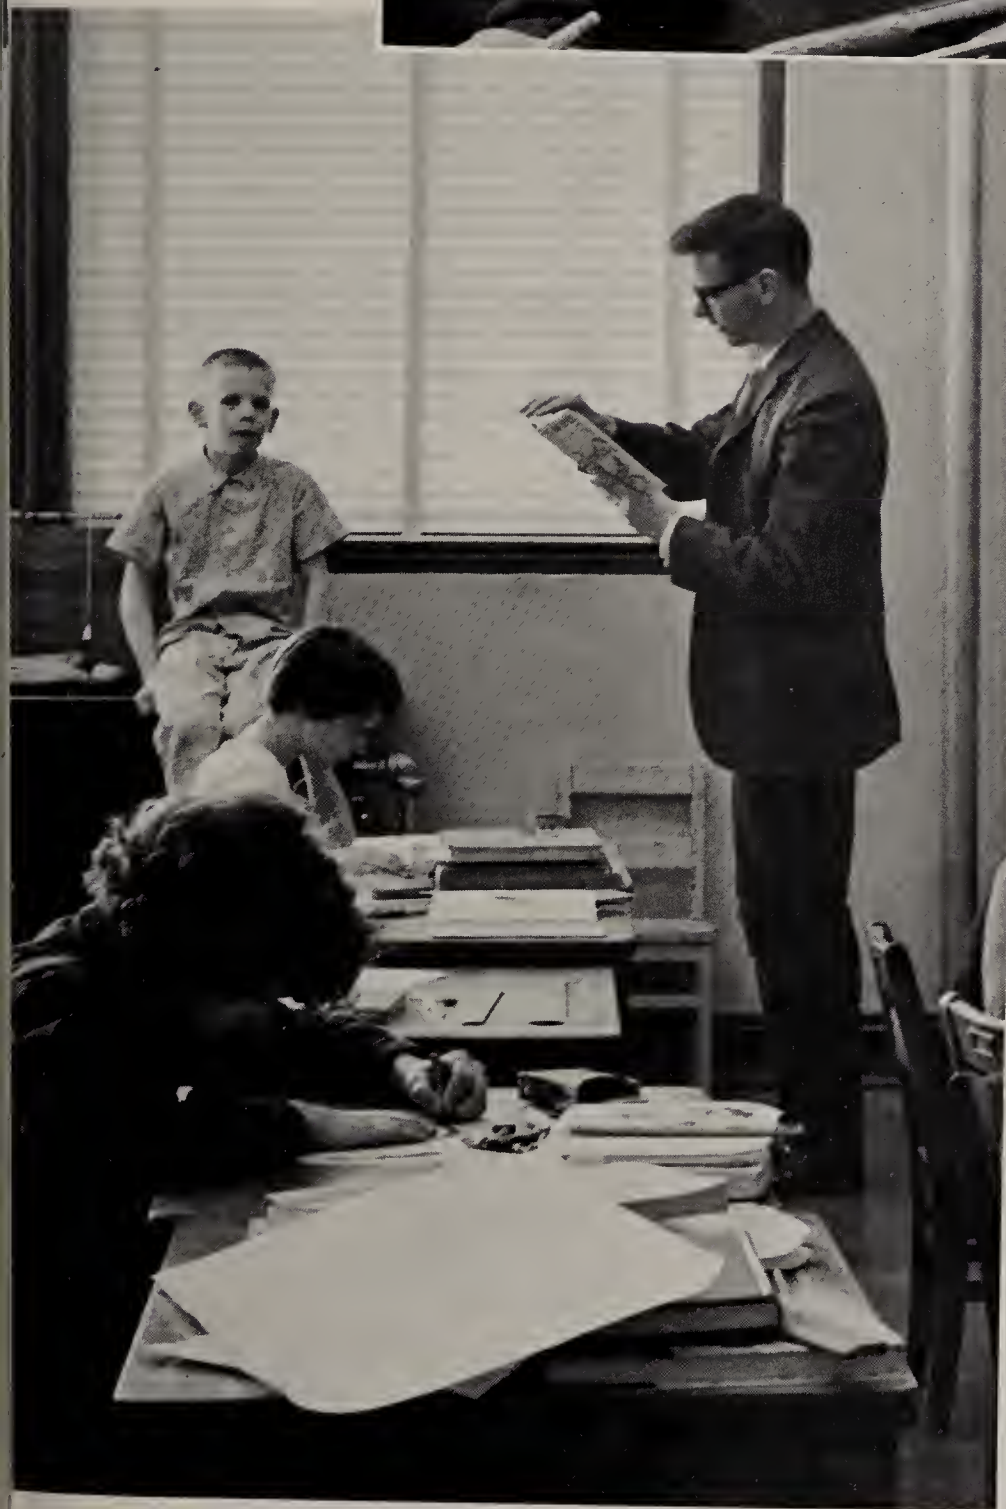

This means we might graduate.

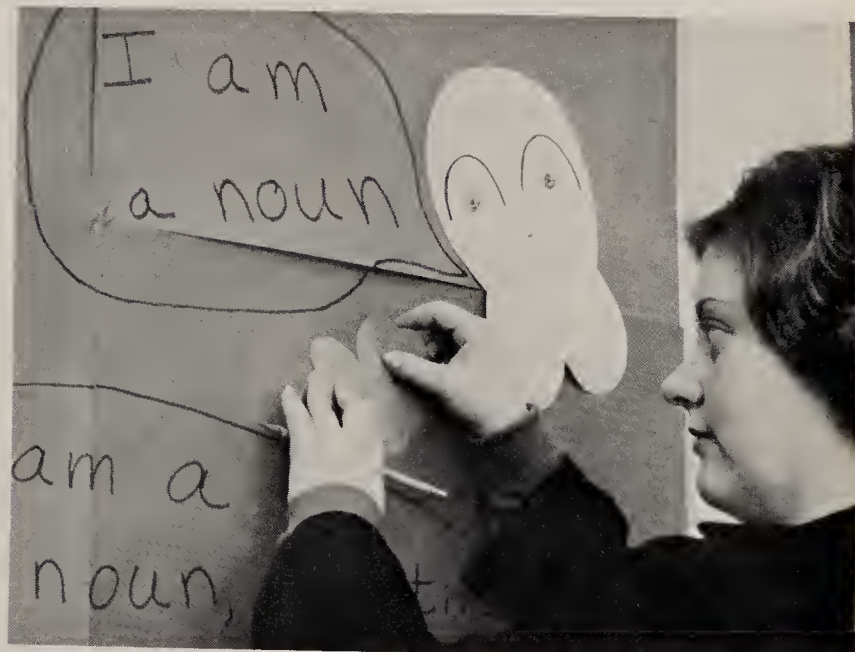

Junior Class

"I can't quite hear you teacher."

Bulletinboards are very common in student teaching.

Student Teaching means reading to the class.

It looks like art!

Only one more year of this.

J. Scholz, I. Skokel, B. Lawrence, G. Lowe.

SUCO students protest tuition.

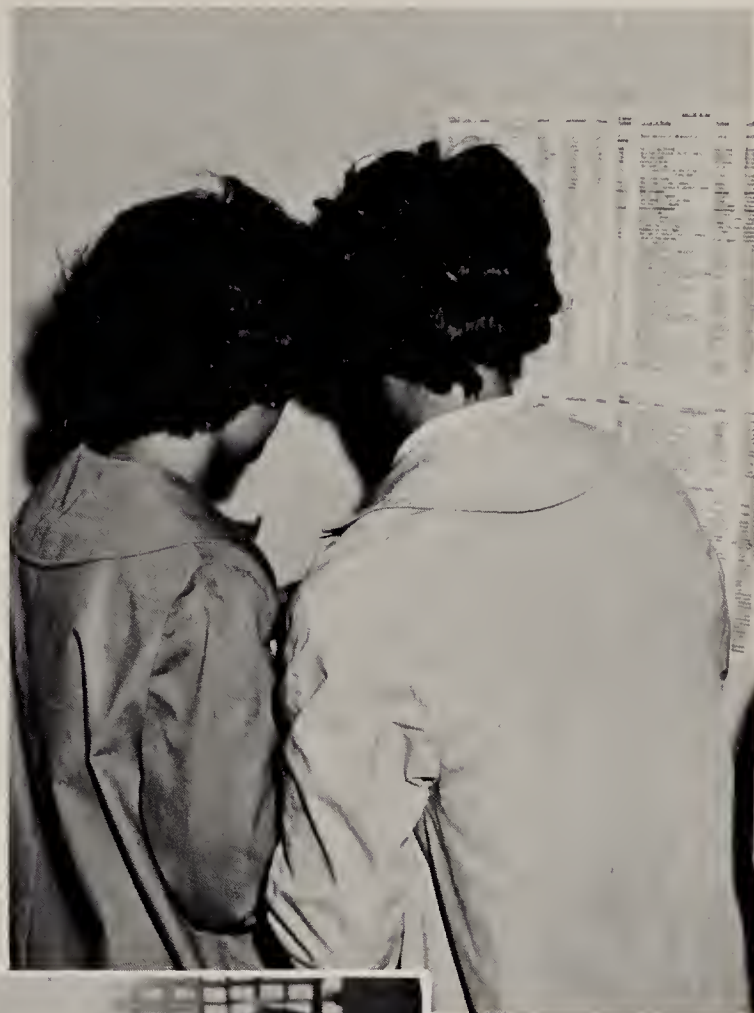

Sleepy boy.

Which books do I need?

At least it's mail.

Decisions, decisions.

During registration we decided to make the confusion greater by setting up a candid camera situation. We got a mouse and put him in a box. We then asked the students to take their card from the box. Here are some of the reactions.

President

This year the State University and the Executive Department of New York state have announced plans for expanding our college at Oneonta. We are thankful that they have understood our needs and have made plans to meet these needs.

The expansion of the physical plant and enrollment need vision and planning, but the expansion of the curriculum and other services to students will be problems which will tax our imagination, understanding and professional competence to the utmost. As we move forward we must be ever conscious of the fact that college exists to provide a high quality college education for students. This necessitates a continuous improvement in curriculum, wise leadership in student activities, and continuous evaluation of both by all members of the college community.

In this community we have the potential for greatness. It is up to us to realize that potential.

The Student Senate is an elected body of nineteen governing members of the Student Association which cooperates with the faculty and administration to promote democratic community life. It also serves the interests and activities of the students. In addition to the usual awarding of club allocations, student association scholarships, the Senate investigates student judiciary systems and evaluate the courses of study. The members attend student governing conferences to broaden their scope of procedures.

This year it allocated additional funds to the Men and Women's Glee Clubs to increase the breath of their tours. It allocated funds to enable the gym to be open to the students in the evening. The Senate has also participated with ICC to revise the Health Service at the college.

Inter Fraternity Council is the mediating board comprised of two members of each Greek social group on campus. It discusses problems concerning the Greeks, it decides upon the governing rules for rushing, and awards the Scholarship Cup to the group with the highest academic average per year. Often the lounge is used for parties, teas, concerts, meetings, and movies. There is the Rumpus Room where a game of ping pong or pool is always going on. The music, T.V., and study rooms mustn't be overlooked. But most of all we mustn't forget the cafeteria or Snack Bar. The College Union Council is the student's ambassador for more union activities of higher quality.

Sports

Soccer

The fall arrived, and with it came one of the finest soccer teams in the sport's seven year history at Oneonta. Coach Garth Stam's booters ended their fall season with a record of 6 wins and 1 loss in the New York Intercollegiate Athletic Conference Soccer Association.

Oneonta, sweeping over its State competition, compiled the top won-loss record in the league. The Red Dragons compiled an over-all season mark of 8 victories and 3 defeats, posting a 2 and 2 record against non-league opponents.

The team, establishing this winning record mark, tied or broke a total of 6 individual school records. The booters now have a ten game undefeated string for home games over the last two years, and Coach Stam's teams have posted a total record of 15 wins, 5 losses, and 1 tie, for a winning percentage of 766.

Two of the Dragon players were singled out for special individual honors. They were Lee Aldrich and Ray DeGiovine. Both of these fine players were named to the N.Y.I.A.C.S.A. All-Star Team, and to the All-New York State Area Soccer Team.

The Oneonta round ballers opened the 1962-63 season in a new atmosphere. The team had a new head coach, Ed Kassler, and a new playing floor with the opening of the Physical Education building.

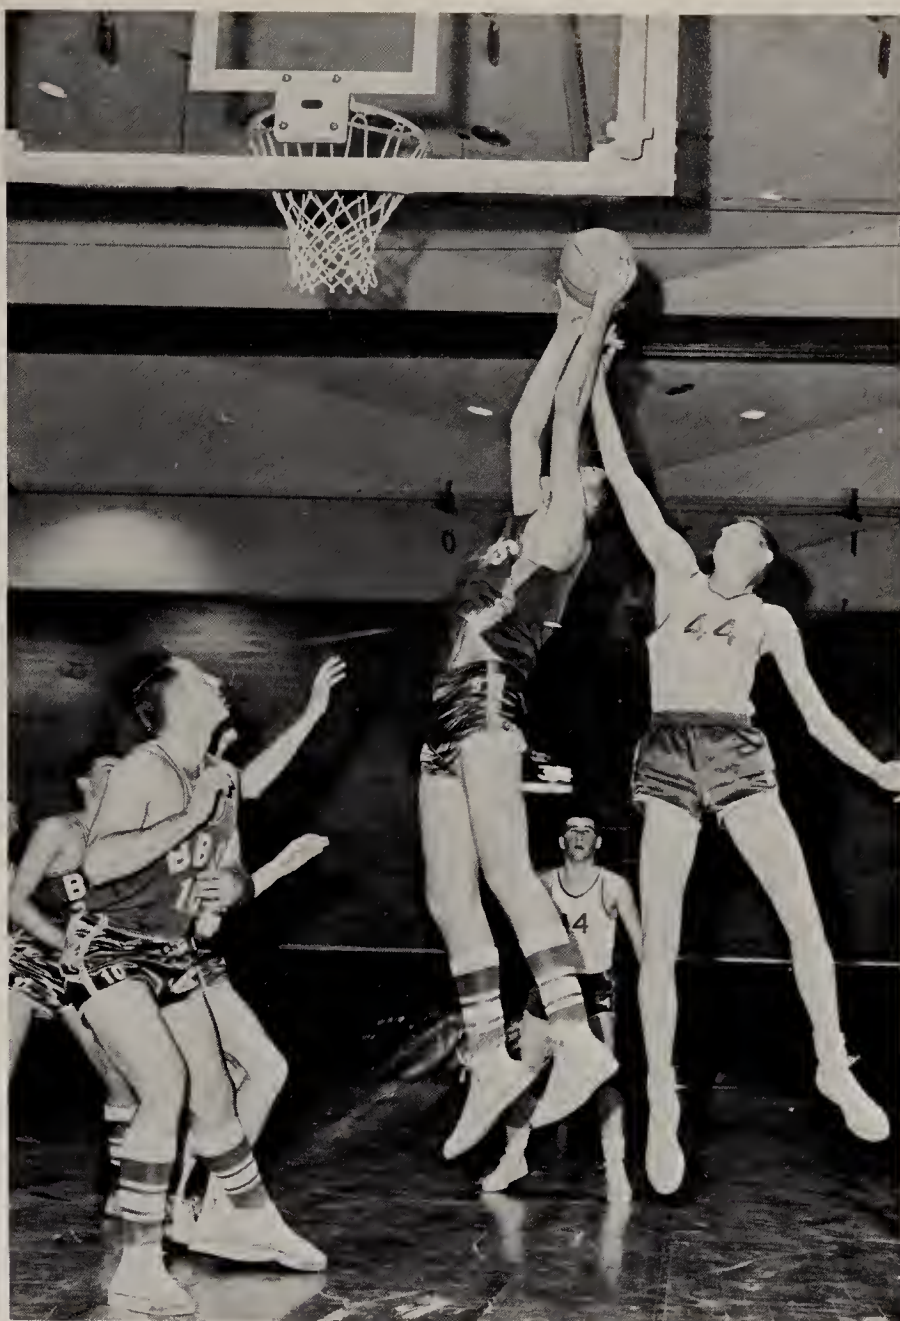

The team this year was in stages of rebuilding, for the coach had only five returning lettermen. Even so they ran up a creditable record of 10 wins and 9 losses, and received a bid to the State University Tournament on February 28 at Cortland.

The Dragon's record includes impressive wins over Sir George Williams, Castleton State, Fredonia, Roberts Wesleyan, St. John Fisher, Plattsburg State, New Paltz State, Albany State, Windham College and Harpur.

Coach Kassler's chargers have been averaging about 60 points a game, and over 70% from the charity line.

Although the Red Dragon Junior Varsity Basketball squad did not win many games, they showed potential and great desire in their playing. Led by co-captains Chuck Noe and John MacDonald, they played strong basketball against their more powerful opponents.

At present the sports included in the program of the Men's Athletic Association are soccer, football, basketball, volleyball, softball and baseball. Plans are being made to include swimming, wrestling and bowling in the near future. The teams are made up of men from fraternities, dorms, downtown housing units and independent groups. Instead of an All-Sport trophy there is presently a trophy available for each sport. A large percentage of the men on campus avail themselves of the opportunity to take part in intermural sports.
